

Cans4Films Festival hits Torquay

BY TIFFANY PILCHER

WATCHING your favourite films is a lot more worthwhile in July, with Network DVD Torquay swapping a free weekly rental for every can donated throughout the month to the Torquay Food Bank.

Simply donate a can of food at the Network DVD at Shop 2/12 Gilbert Street, Torquay during July for a free weekly rental, and if you donate two cans, you will receive three weekly rentals.

Don't have any spare cans? Don't worry, you can still contribute by offering a gold coin donation which will be used to purchase more cans of food to feed those who need it the most.

This is the seventh year Network DVD has run the

program, which has contributed more than 300,000 cans (or more than 150 tonnes) of food to local food shelters and charities across Australia.

Network DVD Torquay owner Noel Anderson said the response from the Torquay community each year is admirable.

"We always get a great local response. It's important to us and to others to support our own community.

"We collect around 300 to 400 cans each year which helps around 200 local families.

"Cans4Films helps a lot of people who really need it and we're hoping Torquay gets behind the cause again this year."

All cans collected by the Torquay store go to the Torquay Food Bank.

Josie Anderson from Network DVD Torquay is calling on everyone to join in the Cans4Films Festival this year.
